## EXHIBIT 99.1

### **National Western Life Group, Inc. Announces 2017 Full Year and Fourth Quarter Earnings**

Austin, Texas, February 28, 2018 - Ross R. Moody, Chairman of the Board, President, and Chief Executive Officer of National Western Life Group, Inc. (Nasdaq: NWLI), announced today 2017 consolidated net earnings of \$110.4 million, or \$31.23 per diluted Class A common share, compared with consolidated net earnings of \$100.9 million, or \$28.53 per diluted Class A common share, for 2016. The Company's book value per share increased to \$503.88 as of December 31, 2017 from \$473.53 as of December 31, 2016. For the quarter ended December 31, 2017, the Company reported consolidated net earnings of \$39.6 million, or \$11.19 per diluted Class A common share, compared with \$23.6 million, or \$6.67 per diluted Class A common share, in the fourth quarter of 2016.

The Company reported earnings from operations, excluding net realized gains and losses on investments, of \$100.8 million for the year ended December 31, 2017, or \$28.52 per diluted Class A common share, compared to \$92.4 million, or \$26.13 per diluted Class A common share in the same period for 2016. Mr. Moody commented on the earnings results saying, "Our operating earnings for 2017 mark the first time in the Company's history that we exceeded the \$100 million threshold. While the tax act passed in December provided the extra impetus for pushing through this level, our operating performance in 2017 was again steady and solid." Earnings from operations for the quarter ended December 31, 2017 were \$37.1 million, or \$10.48 per diluted Class A common share, versus \$22.0 million, or \$6.21 per diluted Class A common share, recorded during the fourth quarter of 2016. Mr. Moody noted, "Our theme heading into 2017 was 'Moving Forward' which was exemplified by our relocation to a new home office facility in the fourth quarter. We are equally proud and excited with the system implementations that occurred and the new product and distribution channels we were able to initiate this past year."

Revenues increased to \$874.4 million during the year ended December 31, 2017 from \$682.4 million for the same period in 2016 reflecting higher realized and unrealized gains on investment instruments. Mr. Moody indicated, "With the strength of the equity markets in 2017, our equity-index products, both life insurance and annuities, remained a substantial source of new product sales for National Western. In particular, total premiums from our domestic life equity-index insurance products increased 16% this past year to \$132.2 million from \$113.7 million."

National Western Life Group, Inc. is the parent organization of National Western Life Insurance Company (NWLIC). Founded in 1956, NWLIC is a stock life insurance company offering a broad portfolio of individual universal life, whole life and term insurance plans, as well as annuity products, which meet the financial needs of its customers in 49 states as well as residents of various international countries.
